(22) The intending Bidders shall clearly understand that whatever may be the outcome of the present invitation of Bids, no cost of Bidding shall be reimbursable by the Department. The Executive Engineer, Electrical Division No-I, Housing directorate reserves the right to reject any application for purchasing Bid Documents and to accept or reject any offer without assigning any reason whatsoever and is not liable for any cost that might have incurred by any Bidder at the stage of Bidding.

(23) The **Executive Engineer, Electrical Division No-1, Housing Directorate** reserves the right to issue any corrigendum to the NIQ or cancel the N.I.Q. due to unavoidable circumstances and no claim in this respect will be entertained.

(24) Clause 17 of CONDITIONS OF CONTRACT of the Printed Tender Form shall be substituted by the following as per G.O. no. 5784-PW/L&A/2M-175/2017 dated 12/09/2017:

**Clause 17** - If the contractor or his workmen or servants or authorized representatives shall break, deface, injure, or destroy any part of building, in which they may be working, or any building, road, road-curbs, fence, enclosure, water pipes, cables, drains, electric or telephone posts or wires, trees, grass or grassland or cultivated ground contiguous to the premises, on which the work or any part of it is being executed, or if any damage shall happen to the work from any cause whatsoever or any imperfection become apparent in it at any time whether during its execution or within a period of three months or one year or three years or five years, as the case may be (depending upon the nature of the work as described in the explanation appended hereto) hereinafter referred to as the Defect Liability Period, from the actual date of completion of work as per completion certificate issued by the Engineer-in-Charge, the contractor shall make the same good at his own expense, or in default, the Engineer-in-Charge may cause the same to be made good by other workmen and deduct the expense (of which the certificate of the Engineer-in-Charge shall be final and binding on all concerned) from any sums, whether under this contract or otherwise, that may be then, or at any time thereafter become due to the contractor from the Government or from his security deposit, either full, or of a sufficient portion thereof and if the cost, in the opinion of the Engineer-in-Charge (which opinion shall be final and conclusive against the contractor), of making such damage or imperfection good shall exceed the amount of such security deposit and/or such sums, it shall be lawful for the Government to recover the excess cost from the contractor in accordance with the procedure prescribed by any law for the time being in force.

Provided further that the Engineer-in-Charge shall pass the "Final Bill" and certify thereon, within a period of thirty days with effect from the date of submission of the final bill in acceptable form by the contractor, the amount payable to the contractor under this contract and shall also issue a separate completion certificate mentioning the actual date of completion of the work to the contractor within the said period of thirty days. The certificate of the Engineer-in-Charge whether in respect of the amount payable to the contractor against the "Final Bill" or in respect of completion of work shall

be final and conclusive against the contractor. However, the security deposit of the work held with the Government under the provision of clause 1 hereof shall be refundable to the contractor in the manner provided here under:-

- (a) For work with three months Defect Liability Period:
  - (i) Full security deposit shall be refunded to the contractor on expiry of three months from the actual date of completion of the work.
- (b) For work with one year Defect Liability Period:
  - (i) Full security deposit shall be refunded to the contractor on expiry of one year from the actual date of completion of the work.
- (c) For work with three years Defect Liability Period:
  - (i) 30% of the security deposit shall be refunded to the contractor on expiry of two years from the actual date of completion of the work;
  - (ii) The balance 70 % of the security deposit shall be refunded to the contractor on expiry of three years from the actual date of completion of the work
- (d) For work with five years Defect Liability Period:
  - (i) No security deposit shall be refunded to the contractor for 1st 3 years from the actual date of completion of the work;
  - (ii) 30% of the security deposit shall be refunded to the contractor on expiry of four years from the actual date of completion of the work;
  - (iii) The balance 70 % of the security deposit shall be refunded to the contractor on expiry of five years from the actual date of completion of the work.

“The word ‘Government’ means the Government of the State of West Bengal in Public Works Department.”

**(25) Refund of EMD:** The Earnest Money of all the unsuccessful Tenderers deposited in favour of the Executive Engineer along with the Tenders will be refunded by the concerned Executive Engineer **as stated in Finance Audit Department’s Memorandum No.-3975 – F(Y) dated 28.07.2016 available at the Official Web site of Finance Department, Govt. of West Bengal – www.wbfin.nic.in.**

- (b) Technical Capability comprising of personnel & plant & equipment capability
- (c) Experience / Credential

The eligibility of a bidder will be ascertained on the basis of his digitally signed documents in support of the minimum criteria as mentioned in (a), (b), (c) above with the help of his DSC and the declaration executed through prescribed affidavit in non-judicial stamp paper of appropriate value duly notarized. If any document submitted by a bidder is either manufactured or false, in such case the eligibility of the bidder/Tenderer will be out rightly rejected at any stage without any prejudice and further penal action may be taken against him as per rule.

- (35) The Bid Evaluation Committee reserves the right to ignore some deficiencies at their discretion in case of first call and no challenge whatsoever against such decision of the said committee will be entertained. In case of 2<sup>nd</sup> Call, the Bid Evaluation Committee reserves the right to ignore some more deficiencies at their discretion and no challenge whatsoever against such decision of the said committee will be entertained. In case of third and subsequent calls, the Bid Evaluation Committee reserves the right to ignore more and more deficiencies at their discretion and no challenge whatsoever against such decision of the said committee will be entertained.

36. Bidders should upload their documents from original copies. Uploading photocopy & illegible copies will not be accepted.

#### (37) Additional Performance Security Deposit

As per memorandum no. 4608-F(Y) dated.18.07.2018 of Finance Department Govt. of West Bengal, the successful bidder will have to submit Additional Performance Security @10% of the tendered amount, if the accepted bid value is 80% or less of the Estimated amount put to tender. The Additional Performance Security shall be submitted in the form of Bank Guarantee from any Scheduled Bank before issuance of the Work Order. If the bidder fails to submit the Additional Performance Security within seven working days from the date of issuance of Letter of Acceptance, his Earnest Money will be forfeited and other necessary actions as per NIQ like blacklisting of the contractor, etc, may be taken. The Bank Guarantee shall have to be valid upto end of the Contract Period and shall be renewed accordingly, if required. The Bank Guarantee shall be returned immediately on successful completion of the Contract. If the bidder fails to complete the work successfully, the Additional Performance Security shall be forfeited at any time during the pendency of the contract period after serving proper notice to the contractor. Necessary provisions regarding deduction of security deposit from the progressive bills of the contractor as per relevant clauses of the contract shall in no way be altered/affected by provision of this Additional Performance Security.

38. Rate of every item to be offered should be inclusive of everything viz. cost of materials, labour, transport and installation at site etc. No separate/ additional payment for any of the above component of any item of work will be made.

(39) The eligible responsive bidder, whose some total offered price considering all the items of works stands lowest, will be considered for awarding the entire work. In no case award of individual item of work will be awarded to the concerned item-wise Lowest Bidder.

(40) For any typographical mistake in case of **UNIT**, Rate, Quantity, Amount, any time of nomenclature in items of works/item itself etc. whatsoever as stated in BOQ, that can't be claimed during agreement or so. In that case sanctioned estimate will be binding criteria.

**i) Tender Evaluation Committee(TEC) :-**

The tender will be evaluated by Bid Evaluation Committee (BEC) be constituted under Executive Engineer, Electrical Division No-1, Housing Directorate as per PWD Memorandum no. 453-W(C)/1M-23/15 dated 15/09/2015.

ii) **Opening of Technical proposal:-** Technical proposals will be opened by the Executive Engineer, Electrical Division No-1, Housing Directorate and his authorized representative electronically from the web site using their Digital Signature Certificate.

iii) Intending Bidders may remain present if they so desire.

### ***B. Financial proposal***

- i. The financial proposal should contain the following documents in one cover(folder) i.e. Bill of quantities(BOQ) the Bidder is to quote the rate online through computer in the space marked for quoting rate in the BOQ.
- ii. Only downloaded copies of the above documents are to be uploaded virus scanned & Digitally Signed by the contractor.
- iii) Financial capacity of a bidder will be judged on the basis of net worth and available bid capacity as mentioned in the e-N.I.Q. to be derived from the information furnished in **FORM-II** (Section-B) i.e., Financial Statement.

## **8 .Penalty for suppression / distortion of facts**

If any Bidder fails to produce the original hard copies of the documents (especially Completion Certificates and audited balance sheets), or any other documents on demand of the Tender Evaluation Committee within a specified time frame or if any deviation is detected in the hard copies from the uploaded soft copies or if there is any suppression, the tendered will be suspended from participating in the tenders on e-Tender platform for a 3(Three) years. In addition, his user ID will be deactivated and Earnest Money Deposit will stand forfeited. Besides, the P.W. Directorate may take appropriate legal action against such defaulting tendered. The Employer reserves the right to accept or reject any Bid and to cancel the Bidding processes and reject all Bids at any time prior to the award of Contract without thereby incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders of the ground for Employer's action.

## **9. REJECTION OF BID**

The Employer (tender accepting authority) reserves the right to accept or reject any Bid and to cancel the Bidding processes and reject all Bids at any time prior to the award of Contract without thereby incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders of the ground for Employer's (tender accepting authority) action.

## **10. AWARD OF CONTRACT**

The Bidder whose Bid has been accepted will be notified by the Tender Inviting & Accepting Authority through Letter of Acceptance. Refusal to accept an award after issuance of "Letter of Acceptance" or refusal to enter into contract with the Government without justifiable cause will lead to forfeiture of EMD of the said bidder in favour of the Government and appropriate penal action as per rule / as stated elsewhere in this NleT will be taken against him.

All the tender documents including N.I.Q. & B.O.Q. will be the part of the contract documents. After receipt of Letter of Acceptance, the successful bidder shall have to submit requisite copies of contract documents along with requisite cost (Ref: of this N.I.Q.) through GRIPS/RTGS/NEFT issued from any nationalized / scheduled bank in favour of the Executive Engineer of the concerned work within time limit to be set in the letter of acceptance.

The Letter of Acceptance will constitute the formation of the Contract. Issuance of Letter of Acceptance / Work Order may be delayed due to non-receipt of clear site for the work and no claim, whatsoever, for delay in issuance of Letter of Acceptance / Work Order will be entertained.

The Agreement in West Bengal Form No. 2911(ii) will incorporate all necessary documents e.g. e-NIQ, all addenda & corrigendum, special terms & conditions (Section – C), different filled-up forms (Section –B), BOQ, prevailing P.W. Directorate Schedule of Rates at the time of floating of NleT, and the same will be constituted between the Tender Accepting Authority and the successful Bidder.

**(To be furnished on Letter Head)**

I/we have inspected the site of work and have made myself/ourselves fully acquainted with local condition in and around the site of work. I/we have carefully gone through the notice inviting Tender and other tender documents mention therein along with the drawing attached. I/we have also carefully gone through the 'Priced schedule of probable item and quantities.'

My /our tender is offered taking due consideration of all factors regarding the local site condition stated in this detailed notice inviting tender to complete the proposed work.

I/We promise to abide by all the stipulations of the contact documents and carry out and complete the work to the satisfaction of the department.

I/we also agree to procure tools and plants, at my/our cost required for the work.

I/We also agree to abide by all the Terms & conditions as stipulated in e\_NIQ and all Tender Clauses of WBF-2911 Agreement Form.

**Signature of Tenderer**  
**Postal address of the Tenderer**

## **SECTION – C**

### **Special terms and conditions**

#### **C.1 General :**

Unless otherwise stipulated all the works are to be done as per general conditions and general specifications as mentioned below-

- (i) 'Departmental Schedule', which means the Public Works Department Schedule of Rates for Electrical.

#### **C.2 Definition of Engineer-in-Charge and commencement of work :**

The word "Engineer-in-Charge" means the Executive Engineer, P.W.( Electrical ) of the concerned Division. The word "Department" appearing anywhere in the tender documents means P.W. Department, Government of West Bengal, who have jurisdiction, administrative or executive, over part of whole of the works forming the subject matter of the tender or contract. The word "approved" appearing anywhere in the documents means approved by the Engineer-in-Charge. In case, the work is transferred to any other Division, the Executive Engineer under whom the work will be executed should be treated as the Engineer-in-Charge. The work shall have to be taken up within seven days of the receipt of the work order or otherwise mentioned therein. Failure to do so will constitute a violation of the contract stipulation as regards of proportionate progress and timely completion of work and the contractor will thereby make himself liable to pay compensation or other penal action as per stipulation of the printed tender form.

#### **C.3 Terms & Conditions in extended period :**

As Clause 5 of W.B.F. No. 2911 (ii) as the case may be when an extension of time for completion of work is granted by the Engineer-in-Charge for cogent reasons for which the contractor have no control, it will be taken for granted by the working contractor that the validity of the contract is extended automatically upto the extended period with all terms and conditions rates etc. remaining unaltered, i.e. the tender is revalidated up to the extended period.

#### **C.4 Co-operation with other agencies and damages and safety of the users :**

All works are to be carried out in close co-operation with the Department and other contract or contracts that may be working in the area of work. The work should also be carried out with due regard to the convenience of the users and occupants of the adjacent locality, if any. All arrangements and programme of work must be adjusted accordingly. All precautions must be taken to guard against chances of injury or accidents to workers, users, occupants of the adjacent locality etc. The contractor must see that all damages to any property which, in the opinion of the Engineer-in-Charge are due to the negligence of the contractor are promptly rectified by the contractor at his own cost and expenses and according to the direction and satisfaction of the Engineer-in-Charge.

### **C.5 Transportation arrangement :**

The contractor shall arrange for all means of transport including railways wagons required for carriage and supply of materials and also the materials required for the construction work. The Department may however, at their own discretion grant necessary certificates, if required, for booking of railways wagons etc. But, in case of failure of the department to help the contractor in this respect, the contractor will have to arrange at his own initiative so that progress of work will not be hampered and no claim whatever on this ground will be entertained under any circumstances. If railways facilities are not available, the contractor will have to depend on transport of materials by road as necessary to complete the work without claiming any extra payment from the department in this regard. The contractor must consider this aspect while quoting rate.

### **C.6 Contractor's Site Office :**

The contractor shall have an office adjacent to the work as may be approved by the Engineer-in-Charge where all directions and notice of any kind whatsoever, which the Engineer-in-Charge or his representative may desire to give to the contractor in connection with the contract, may be left or sent by post to such office or delivered to the contractor's authorized agent or representative. For such intimation to the contractor's site office, it shall be deemed sufficient enough to be served upon the contractor.

### **C.7 Incidental and other charges :**

The cost of all materials, hire charges to Tools and plants, labour, Corporation/Municipal Fees for water supply, Royalty or road materials (if any), electricity and other charges of Municipalities or statutory local bodies, ferry charges, Toll charges, loading and unloading charges, handling charges, overhead charges etc. will be deemed to have been covered by the rates quoted by the contractor inclusive of also Sales Tax (Central and/or State), Income Tax, Octroi Duty/Terminal Tax, Turnover Tax, VAT etc. All other charges for the execution of the specified work, including supply of materials and related carriage, complete or finished in all respect up to the entire satisfaction of the Engineer-in-charge of the work. No claim extra claim in this regard beyond the specified rate as per work schedule whatsoever in this respect will be entertained.

### **C.8 Authorised Representative of Contractor :**

The contractor shall not assign the agreement or sublet any portion of the work. The contractor, may however, appoint an authorized representative in respect of one or more of the following purposes only.

- a) General day to day management of work.
- b) To give requisition for Departmental materials, Tools & Plants etc. to receive the same and sign hand receipts thereof.
- c) To attend measurements when taken by the Departmental Officers and sign the records of such measurements which will be taken of acceptance by the contractor.

d) The selection of the authorized representatives shall be subject to the prior approval of the Engineer-in-Charge concerned and the contractor shall in writing seek such approval of the Engineer-in-Charge giving therein the name of work, Tender No., the Name, Address and the specimen signature of the representative he wants to appoint and the specific purposes as specified here-in-above, which the representative will be authorised for. Even after first approval, the Engineer-in-Charge may issue at any subsequent date, revised directions about such authorised representative and the contractor shall be bound to abide by such directions. The Engineer-in-Charge shall not be bound to assign any reason for his revised directions. Any notice correspondence etc. issued to the authorised representative or left at his address, will be deemed to have been issued to the contractor.

#### **C.9 Power of Attorney :**

The Provision of the power of attorney, if any, must be subject to the approval of the Department. Otherwise the Department shall not be bound to take cognizance of such of attorney.

#### **C.10 Extension of time :**

For cogent reasons over which the contractor will have no control and which will retard the progress, extension of time for the period lost will be granted on receipt of application from the contractor before the expiry date of contract. No claim whatsoever for idle labour, additional establishment, enhanced cost of materials and labour and hire charges of tools & plants etc. would be entertained under any circumstances. The contractor should consider the above factor while quoting this rate. Applications for such extension of time should be submitted by the contractor in the manner indicated in Clause-5 of the printed form of W.B.F. No.2911 (ii).

#### **C.11 Clearing Of Materials :**

Before starting any work, work site, where necessary, must be properly dressed , on completion of works all temporary structure or obstruction including some pipes in underground work, if any, must also be removed. All scars of construction shall be obliterated and the whole site shall be left in a clear and neat manner to the satisfaction of the Engineer-In-Charge. The cost thereof being deemed to have been included in the rates of various items of works quoted by the contractor in the schedule of probable items of works.

#### **C.12 Work Order Book:-**

The contractor will within 7 (seven) days of receipt of the order to take up the work, supply at his own cost one Work Order Book to Sub-Divisional Officer / Assistant Engineer concerned, who is authorized to receive and keep in custody the Work Order Book on behalf of the Engineer-in-Charge. The Work Order Book will be kept at the site of work under the custody of Sub-Divisional Officer / Assistant Engineer or his authorized representative. The Work Order Book should have machine numbered pages in triplicate. Directions or instructions from Departmental officers to be issued to the Contractor will be entered (*in triplicate*) in the Work Order Book (*except when such directions or instructions are given by separate letters*). The contractor or his authorized representatives should regularly note the entries made in the Work Order Book and also record thereon the actions taken or being taken by him for complying the said directions or instructions on any relevant points relating to the work. The contractor or his authorized representative may take away the triplicate pages of the Work Order Book for his own record and guidance.

Cases of supplementary items or of claims may not be entertained unless supported by entries in the Work Order Book or any written order from the Tender Accepting Authority. The first page of the Work Order

Book shall contain the following particulars:

- C. 14.1. Name of the Work;
- C. 14.2. Reference to contract number;
- C. 14.3. Contractual rate in percentage;
- C. 14.4. Date of opening of the Work Order Book;
- C. 14.5. Name and address of the Contractor;
- C. 14.6. Signature of the Contractor;
- C. 14.7. Name & address of the Authorized representative (*if any*);
- C. 14.8. Specific purpose for which the contractor's representatives is authorized to act on behalf of the Contractor;
- C. 14.9. Signature of the authorized representative duly attested by the Contractor;
- C. 14.10. Signature of the Sub-Divisional Officer / Assistant Engineer concerned;
- C. 14.11. Date of actual completion of work;
- C. 14.12. Date of recording final measurement;

Entries in C. 14.11.& C. 14.12.above shall be filled in on completion of the work and before the Work Order Book is recorded in the office of the Sub-Divisional Officer / Assistant Engineer.

### **C.13 Supplementary / Additional items of Works :**

Notwithstanding the provisions made in the related printed tender form any item of the work which can be legitimately be considered as not stipulated in the specific price schedule of probable items of work but has become necessary as a reasonable contingent item during actual execution of work will have to be done by the Contractor with prior approval of rates, if so directed by the Engineer-in-Charge and the rates will be fixed with manner as stated below: -

- a. Rate of Supplementary items shall be analyzed in the 1<sup>st</sup> instant extended possible from the rates of the allied items of work appearing in the tender schedule.
- b. Rate of supplementary items shall be analyzed to the maximum extent possible from rates of the allied items of work appearing in the P.W Department schedule of rates for Electrical along with all addenda and corrigenda of probable items of work forming part of tender document Rates for the working area enforced at the time of floating e-N.I.Q will be applicable.
- c. In Case, addition items do not appear in the above P.W Department Schedule of Rates, such items for the works shall be paid at the rates entered in the Public Works Department Schedule of Rates for Electrical along with all addenda and corrigenda for the working area enforce at the time of N.I.Q.
- d. If the Supplementary Item(s) cannot be computed even after application of clauses stated above, rates of supplementary item(s) will be analyzed to the maximum extent possible from the rates of allied items of works appearing in the current PWD Schedule of Rates (for Electrical Works) of probable items of work for the work area at the time of execution of work.
- e. If the rates of the supplementary items cannot be computed even after applications of clauses stated above, the same shall be determined by analysis from market rates of material, labour and carriage cost prevailing at the time of execution of such items work. Profit and overhead charges (both together) at 10% (ten percent) will be allowed only; the contractual percentage will not be applicable.

Unbalanced market rates shall never be allowed

Contractual percentage shall only be applicable with regard to the portions of the analysis based on clauses (a),(b),(c) & (d) stated above only.

It may be noted that the cases of supplementary items of claim shall not be entertained unless supported by entries in the Work Order Book or any written order from the tender accepting authority.

**C.14 Approval of Sample :**

Samples of all materials to be supplied by the contractor and to be used in the work shall have to be approved by the Engineer-in-Charge and checking the quality of such materials shall have to be done by the concerned Department or as directed by Engineer-in-Charge prior to utilization in the work.

**C.15 Drawings :**

All works shall be carried out in conformity with the drawings supplied by this Department. The Contractor shall have to carry out all the works according to the departmental General Arrangement Drawing and Detail Working Drawings to be supplied by the Department from time to time.

**C.16 Unserviceable Materials :**

The Contractor shall remove all unserviceable materials, obtained during execution at place as directed. The contractor shall dressed up and clear the work site after completion of work as per direction of the Engineer-in-Charge. No extra payment will be made on this account.

**C.17 Contractor's risk for loss or damage :**

All risk on account of railway or road carriage or carriage by boat including loss or damage of vehicles, boats, barges, materials or labour, if any, will have to be borne by the contractor without any extra claim towards department.

**C.18 Idle labour & additional cost :**

Whatever may be the reason no claim on idle labour, enhancement of labour rate additional establishment cost, cost of Toll and hire and labour charges of tools and plants, railway freight etc. would be entertained under any circumstances.

**C.19 Charges and fees payable by contractor :**

The contractor shall pay all fees required to be given or paid by any statute or any regulation or by-law of any local or other statutory authority which may be applicable to the works and shall keep the department against all penalties and liabilities of every kinds for breach of such statute regulation or law.

**C.20 Issue of Departmental Tools and Plants :**

All Tools and Plants required for the work will have to be supplied by the Contractor at his own cost; all cost of fuel and stores for proper running of the Tools and Plants must be borne by the Contractor.

**C.21 Realization of Departmental claims :**

Any some of money due and payable to the contractor (including security deposit returnable to him) under this contract may be appropriated by the Government and set off against any claim of Government for the payment of sum of money arising out of this contract or under any other contract made by the contractor with the Government.

**C.22 Compliance of different Acts :**

The contractor shall comply with the provisions of the Apprentices Act, 1961, Minimum Wages Act, 1848. Contract Labour (Regulation and Abolition) Act 1970 and the rules and orders issued hereunder from time to time. If he fails to do so, Engineer-in-Charge or Superintending Engineer of the concern Circle of P.W.( Electrical ) Directorate may at his discretions, take necessary measure over the contract.

The Contractor shall also make himself for any pecuniary liabilities arising out on account of any violation of the provision of the said Act(s). The Contractor must obtain necessary certificate and license from the concerned Registering Office under the Contract Labour (Regulation & Abolition) Act, 1970.

The contractor shall be bound to furnish the Engineer-In-Charge all the returns, particulars or date as are called for from time to time in connection with implementation of the provisions of the above Acts and Rules and timely submission of the same, failing which the contractor will be liable for breach of contract and the Engineer-in-Charge may at his discretion take necessary measures over the contract.

### **C.23 Safety, Security and Protection of the Environment :**

The Contractor shall, throughout the execution and completion of the Works and the remedying of any defects therein:

- (a) have full regard for the safety of all persons and the Works (so far as the same are not completed or occupied by the department).
- (b) provide and maintain at his own cost all lights, guards, fencing, warning signs and watching, when and where necessary or required by the Engineer-in-Charge for the protection of the Works or for the safety and convenience of the public or others.
- (c) take all reasonable steps to protect the environment on and off the Site and to avoid damage or nuisance to persons or to property of the public or others resulting from pollution, noise or other causes arising as a consequence of his methods of operation.
- (d) ensure that all lights provided by the Contractor shall be screened so as not to interfere with any signal light of the railways or with any traffic or signal lights of any local or other authority.

### **C.24 Commencement of work :**

The work must be taken up within the date as stipulated in the work order and completed in all respects within the period specified in Notice Inviting Tender.

### **C.25 Testing of qualities of materials & workmanship :**

All materials and workmanship shall be in accordance with the specifications laid down in the contract and also as per specification of relevant IS codes and the Engineer-In-Charge reserves the right to test, examine and measure the materials/workmanship direct at the place of manufacture, fabrication or at the site of works or any suitable place. The contractor shall provide such assistance, instrument, machine, labour and materials as the Engineer-in-Charge may require for examining, measuring and testing the works and quality, weight or quantity of materials used and shall supply samples for testing as may be selected and required by the Engineer-in-Charge without any extra cost. Besides this, he will carry out tests from outside Laboratory as per instruction of Engineer-in-Charge. The cost of all such tests shall be borne by the agency and that must be considered during quoting rate.

#### **C.26 Timely completion of work :**

All the supply and the work must have to be completed in all respects within the time specified in Notice Inviting Tender from the date of commencement as mentioned in work order. Time for completion as specified in the tender shall be deemed to be the essence of the contract.

#### **C.27 Procurement of materials :**

All materials required to complete execution of the work shall be supplied by the contractor after procurement from authorized and approved source.

#### **C.28 Rejection of materials :**

All materials brought to the site must be approved by the Engineer-In-Charge. Rejected materials must be removed by the Contractor from the site within 24 hours of the issue of order to that effect. In case of non-compliance of such order, the Engineer-In-Charge shall have the authority to cause such removal at the cost and expense of the contractor and the contractor shall not be entitled to claim for any loss or damage of that account.

#### **C.29 Issue of Departmental Materials :**

Departmental materials will not be issued under any circumstances except which is clearly stated in N.I.Q.

#### **C.30 Tender Rate :**

The contractor should note that the tender is strictly based on the rates quoted by the Contractor on the priced schedule of probable item of work. The quantities for various other items of works as shown in the priced schedule of probable items of works are based on the drawing and design prepared by the Department. If variations become necessary due to design consideration and as per actual site conditions, those have to be done by the contractor at the time of execution at the rate prescribed in the tender condition. **No conditional rate will be allowed in any case.**

#### **C.30 Additional Conditions :**

A few additional conditions under special terms and conditions :

C.30.1. Rate quoted shall be inclusive of clearing site including removal of surplus (both serviceable & unserviceable) earth, rubbish, materials etc. as per direction of the Engineer-in-Charge.

C.30.2. Rate quoted shall be inclusive of all Taxes.

C.30.3. Deep excavation of trenches and left out for days shall be avoided.

C.30.4. Labour welfare Cess will be deducted @ 1(one) % of gross bill value as per rule.

C.30.5. Income Tax Will be deducted from each bill of the contractor as per applicable rate and rules in force.

### **C.31 Night Work:**

The contractor shall not ordinarily be allowed to execute the work at night. The contractor may however, have to execute the work at night, if instructed by the Engineer-in-Charge. For true technical or emergent reasons, the work may require to be executed during the night also according to the instruction of the Engineer-in-Charge. In that case the contractor shall have to arrange for separate set of labour with sufficient and satisfactory lighting arrangement for the night work. No extra payment whatsoever in this respect will be made to the contractor.

### **C.32 Working condition:**

During execution of work, contractor will remain responsible for providing unhindered passage to traffic on road adjacent to site, providing lighting and guarding arrangement during night for safety and no extra cost will be paid on this account. Work may be required to be executed at night also. Accordingly sufficient lighting arrangement is to be made by the bidder and the cost of such arrangement shall be deemed to have been included in the rates of relevant items. It is to be noted that there will not be any electrical facility at work site. Bidder should make his own arrangement for water, necessary power of lighting, welding, running of pumps etc. and the cost for such arrangement shall be deemed to have been included in the rates quoted by the bidder.

**Suspension & Debarment of contractor, supplier and Consultant participating in Public Works Department—** In pursuance to Govt. order under memo. no.-410-W(C)/1M-387/15(Pt) Dated. 02.08.2016 and the memorandum circulated vide memo. no.547-W(C)/1M-387/15 Dated.16.11.2015 of the Joint Secretary to the Govt. of West Bengal, PWD regarding introduction of penal measure to the bidders and agencies selected for executing public works for their false declaration or forgery or falsifications of records submitted or failure to execute committed contract or for their failure to perform contractual obligations and thereby resulting delay for execution of the public works or execution of faulty works. The detail guide lines are annexed hereunder. These are also to be taken as part of contract documents.

## **Scope of work and terms & condition**

**Name of the Work:** Annual maintenance of Electrical Installation work (Internal & External) at Abantika Community Hall during any occasions / performances within the campus of Kustia Housing for 12 (Twelve) months.

### **SCOPE OF WORKS:**

1. The Scope of work includes maintenance of all Electrical installation (both Internal & External)—Main LT Distribution lines/cables to each flat/floor/Feeder-Pillar box/Panels, entire Electrical wiring, main LT distribution panel, sub-panel, all electrical lighting & power points, fitting & fixtures, compound lighting etc. within the campus incl. operation & maintenance of all Pump-Motor sets within the campus incl. related minor repairing & operation of valves, if needed.

### **TERMS & CONDITIONS:-**

1. Maintenance & up-keeping of the above electrical installation in safe and proper working condition.
2. The contractor has to depute 1 no. licensed holder Electrician (Skilled worker) possessing Workman's Permit having Part-i(b) & ii and 1 no. licensed holder Semi-Skilled worker possessing Workman's Permit having Part-i(b) issued from Directorate of Electricity, West Bengal for 1 shift per Night [only 1 worker per shift] (including suitable substitutes for those on leave) and having sufficient experience in the said job for carrying out the maintenance work smoothly with due regard to the safety.
3. The Contractor must have full time Supervisor or Engineer holding Electrical Supervisor's Certificate of Competency (granted by the authorities of the concerned State Government/ West Bengal Licensing Board] on the parts 1, 2, 4, 6A, 7A,10 & 11 as per I.E. Rules or National Supervisors Certificate of competency. The contractor should deploy Supervisor at site as and when required.
4. The electrician will supervise maintenance of the whole Electrical Installation incl. maintaining proper Log book.
5. Separate Log book is to be maintained for AMC/Operation of entire Electrical Installation & Pump-motor set. The daily record of the Log book is to be signed by the Skilled & Semi-Skilled worker of the contractor and verified & signed by concerned Junior Engineer (Electrical) & Assistant Engineer (Electrical) and the same should be sent to the concerned Executive Engineer through proper channel at the time of submission of bills.
6. Recording of various electrical parameters of different L.T. panel board, BDBs, Main switches etc., testing of Insulation Resistance, Earth Resistance etc. are to be put-up in Log book in regular manner and the necessary working report in this respect to be submitted to the concerned Assistant Engineer, (Electrical) & Junior Engineer, (Electrical) everyday. Infrared Thermometer should be used in measuring temperature of electrical equipments like L.T. panel boards, switch board, fittings/fixtures etc. regularly to find out any abnormalities and that measurements are to be recorded in Log book compulsorily in proper way every day.
7. In case, any abnormal reading is noticed, then the same should be rectified/set right immediately by taking prompt, appropriate & effective measures/actions by proper recording & reporting to the concerned Assistant Engineer (Electrical) & Junior Engineer (Electrical).
8. The Electrician will look over all the said reading/measurements and also preventive measures to be taken in case of any abnormalities found.
9. The agency will have to immediately replace any or all members of the electrical maintenance staff, who has been reported against.
10. The agency shall provide photo identity cards to all the maintenance staff employed, including substitutes.

11. **The agency will have to attend all the break-down/fault of any nature involving electrical installation within the scope of contract and restore the same with its own manpower, tools & tackles keeping entries in Log books mentioning type of faults, nature of work done, fault clearance date & time etc.**
12. Beyond the specified building / area of contract, the Agency will have to attend the break down at any time at the above stated area on call by the concerned Assistant Engineer (Electrical), HD and Junior Engineer (Electrical), HD for the interest of public Service.
13. **All the maintenance staff of the contractor should have proper & constant vigilance and check that- there is no sign of heating-up, burning smell, discoloration or sparking at any of BDBs, panel boards, switch-boards etc. due to overloading or loose termination. Care should be taken to check any highly imbalance loading at any point.**
14. **Any fault of electrical installation starting from supply end (except the installation of Utility service—WBSEDCL/CESC, as applicable) to light, fan, call bell, computer point, power plug etc. LT cables & all sub-panels, distribution boards, related main switches, isolators, earthing attachments, compound lights etc. have to be detected & inform to the concerned Assistant Engineer (Electrical), HD and Junior Engineer (Electrical), HD and simultaneously attended and restored by the agency by its own man power with the help of materials (cables, main-switches, DBs, wires, HRC fuses etc.) as circumstantial arrangement as per terms & conditions of this contract.**
15. Routine checking and preventive maintenance of the electrical installations has to be carried out by the agency maintaining a register under signature of respective Junior Engineer and Assistant Engineer with a view to ensure uninterrupted power supply within the campus. Any negligence in the part of the agency in complying with any of the above described terms and conditions causing inconveniences to public service will be viewed otherwise and is subject to unilateral penalty, be it detected on the spot or thereafter (even after payment).
16. In case of any breakdown caused by cable fault etc, if situation demands the agency will have to restore the power supply temporarily either with the materials available with this department or arranging the same temporarily at his own cost and to maintain the same temporary installation up to a maximum of 15 (fifteen) days till completion of original restoration work.
17. The agency will check, keep clean all LT panel rooms, LT panels, other LT switches, distribution boards etc.
18. The agency will check and clean all the light fittings, ceiling fans, exhaust fans etc. excluding those of residential complexes to prevent falling down of those as a measure of safety and maintain a register mentioning fan numbers etc. including keeping those light fittings and fans clean as per the direction of Assistant Engineer or respective Junior Engineer.
19. Maintenance materials viz. Incandescent lamps, Main switches, Power DB, SPN BDB, Main & Sub-main cables, fluorescent tubes, Chokes, Ignitors, and Condensers etc. will be supplied by the Department. However auxiliary items like screws, nuts & bolts, washers, fuse wire, insulating tapes etc. will have to be arranged by the agency on its own expense.
20. The replaced / dismantled materials generated during carrying out breakdown or preventive maintenance or due to civil renovation / dismantling work are to be carried out and deposited to the respective Section Office by the agency by its own labour / arrangements / tools and tackles as per the direction of the Assistant Engineer concerned. If needed the agency will have to dismantle existing electrical installations in connection of any civil renovation / dismantling work and deposit the same to convenient locations as per the direction of the Assistant Engineer concerned by own labour / arrangements / tools and tackles.
21. No materials should be taken out of the maintenance site without the permission and necessary challan of the concerned site-in-charge/Junior Engineer (Electrical).

22. The agency will take care to prepare the requisition of materials required for the maintenance within his jurisdiction well in advance and submit the same to the concerned Junior Engineer so that no delay in repair / replacement cause trouble in the system & hampering of the public service thereof.
23. The cleaning & repairing of the different type of light fittings, ceiling fans, exhaust fans etc. have to be done by the agency at his own cost incl. dismantling and re-fixing the same. Rewinding of different types of fan is not in the scope of contract.
24. In case of power failure or development of any unfavourable situation, the agency will have to communicate with concerned CESC/WBSEDCL authority and extend co-operation to concerned CESC/WBSEDCL authority in restoration of power supply. Meanwhile the agency will have to operate the switching mechanisms of interconnections among available sources at suitable locations to maintain power supply at important locations by monitoring electrical loads in consultation with concerned Junior Engineer/Assistant Engineer.
25. The agency will also have to attend immediately emergency calls at the site with staff, tools etc. on demand.
26. Any major shut down or fault should be brought to the notice of concerned Junior Engineer/Assistant Engineer immediately in writing/over telephone for further course of action.
27. Insulation test with the help of Megger for the entire Electrical Installation as well as earth resistance of the earthing installation for each buildings are to be carried out in the presence of concerned Assistant Engineer/ Junior Engineer once in a month and the result thereof is to be furnished to the Engineer –In-Charge through proper channel.
28. The agency is required to submit a copy of Challan for permission of the Junior Engineer before taking any materials out of the premises.
29. The agency must have separate contact telephone / mobile numbers for his office and maintenance team deputed at so that the agency may be communicated in case of any urgency.
30. The agency should be responsible for any damage in the installation due to mishandling / mal-operation done by his staff and shall be liable for the compensation for the same which would be recovered from the bill as per direction of E.I.C. and the accused staff should be replaced immediately.
31. The agency shall maintain one attendance register at site, to be signed regularly by the staff on duty and the same should be authenticated/verified by the concerned Junior Engineer. In case of absence of the Maintenance staffs, the agency shall have to arrange for alternative maintenance staffs within one hour, failing which, the charges for that day / shift will be deducted in prorata basis from the bill of the agency. The Executive Engineer, Electrical Division-I, H.D reserved the right to terminate the contract in case of absence of any maintenance staffs (Electrician / Helper /operator) for more than three consecutive days, without showing further reason.
32. Separate manpower are to be provided by agency for each separate shift.
33. **The agency will also operate all the pump-motor set within the campus, as & where required with the above stated man power within working time period. Before switching-on the related Pump-motor set, the deputed staff engaged by the Agency will have to check the status/condition of Electrical Power line—Voltage, current, phase-sequence, single-phasing etc. incl. recording the same in the Log book(authenticated by the concerned Junior Engineer/Assistant Engineer) and ensure its proper & healthy condition. If any break-down/fault of Pump-motor set occurs due to negligence on this part, then the repairing/replacement of pump-motor set & its allied accessories have to be executed by the Agency at his own cost.**

34. **Minor repair related to pump motor starter should be done by the Agency. A separate log book for pump operation should be maintained properly stating starting time, off time, gauge pressure, check valve, voltage & current reading, status of phase-sequence, single-phasing etc. Agency should clean pump room, header assembly from time to time.**
35. On getting selected, the agency will have to furnish the names of the staffs in writing with proper photo identity and address proof at agency's own cost which has to get countersigned by the concerned Assistant Engineer before commencement of the work
36. The agency will have to maintain log books in such a manner so that at least one log book may be made available at site as and when asked for.
37. Minimum change of terms and conditions may be done by the EIC in consultation with the agency for the interest of better public service.
38. The agency should be responsible for payment of minimum wages to the engaged worker(s) as per relevant circular of Labour Department, Govt. of W.B. in Vogue. The bill have to be produced by the agency through their Letter Head & should contain a certificate that the engaged worker(s) were paid complying the minimum wages as per relevant circular issued by Labour Department, Govt. of W.B. in Vogue and non-compliance of the same may lead to termination of the contract. **(minimum wages means daily rate as per recent circular of Labour Department, W.B corresponding to category of labour x 30 days)**
39. **The agency should must submit P.F and E.S.I's challan and payment acknowledgement document of the respective workers during submission of bill.**
40. Bills should be submitted at the end of every three month (in this manner or as per direction of EIC) with the certification of concerned Engineers on satisfactory completion, keeping at least one spare log book at site. Payment will be made as per norms & availability of fund against placement of bills supported by log book duly verified by the concerned Junior Engineer / Assistant Engineer.
41. The agency shall maintain one attendance register at site, to be signed regularly by the staff on duty and the same should be authenticated/verified by the concerned Junior Engineer.
42. **If any kind of incapability & negligence are noticed in observing all the above-said terms & conditions, this Department posses the right to deduct the cost from the bills of the contractor on pro-rate basis as determined by the Engineer –In-Charge. In that case, the above-said contract may be terminated without issuing any notice and Stringent & punishable action may be taken against the contractor.**
43. The philosophy of "Public Interest" would be the MOTTO of this maintenance contract. Any deviation may be viewed otherwise.
44. **Valid workman permits, electrical license, Identity proof etc. are to be furnished for each Electrician/workman, Operator engaged by the agency alongwith the name & contract mobile no. of the persons and all these information with supporting documents are to be submitted in written to the concerned Junior Engineer (Electrical), Assistant Engineer (Electrical) & Executive Engineer (Electrical).**
45. The contract may be terminated with one month's notice from either side.
46. GST & LWC will be deducted as per Govt. rule from the bill amount. The rates should be quoted both in words and figures inclusive of all taxes on monthly basis. No. quotation with price variation clause will be accepted.

47. **BILLING & PAYMENT PROCEDURE**

- (a) The bill have to be produced by the agency through their Letter Head & should contain a certificate that the engaged worker(s) were paid complying the minimum wages as per relevant circular issued by Labour Department, Govt. of W.B. in Vogue and also payment of contribution for PF & ESI (Both employer and employee's contribution) are made under relevant "Employees Provident Fund & Miscellaneous Provision Act'1952" and "Employees' State Insurance Act' 1948" in respect of the employee. The bill has to be submitted duly supported with necessary check list, copy of log book with signature of concerned Junior Engineers & Assistant Engineer thereon along with payment challan/acknowledgement for deposit of ESI & PF of the respective workers etc. to the office of The Executive Engineer, Electrical Division No.-I, Housing Directorate through concerned Junior Engineers & Assistant Engineer. Bill for Bonus paid to the deployed man power as per payment of Bonus Act, 1965 shall be submitted by the agency during the end of financial year with Bonus Payment Sheet.
- (b) Bills should be submitted at the end of every three month (in this manner or as per direction of EIC) with the certification of concerned Junior Engineers & Assistant Engineer on satisfactory completion.
- (c). Payment will be made as per norms & availability of fund against placement of bills duly certified by the concerned Junior Engineer / Assistant Engineer in respect of satisfactorily completion/performance and supported by the copy of log book duly verified by the concerned Junior Engineer / Assistant Engineer & other supported documents as stated above.
